

CEA EARLY CAREER EDUCATOR SOCIALS

One of the best things you can do for yourself as an early-career educator is make time to socialize with other new teachers.

Join us for free food, networking, and a chance to bounce ideas, tips, and questions off your colleagues. How are they handling challenges in and out of the classroom? How can you learn from and support each other?

CEA Early-Career Educator Socials are being held in locations throughout the state for teachers with up to seven years' classroom experience. Bring a colleague or two and come to one of them!

JOIN US FROM 4:00 TO 7:00 PM
